

CERTIFICATE

The company

Novalfa Group S.p.A.
Strada Trossi 43
13871 Verrone BI, ITALY

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report 17RA15185

for the following articles:

Staple, tow and tops of acrylic (*) raw, black and dyed; staple in polypropylene raw; raw staple in polyester/polyamide, polifenilsulfide, meta and para-aramid, polyethylene terephthalate/polypropylene, polyethylene terephthalate/polyethylene, polypropylene/polyethylene, cationic polyester, flame retardant polyester; staple Mirawave (polyester); staple of polyester raw, virgin and regenerated, optic and dope dyed in different colors; tops of polyester raw and black; staple of viscose raw and dope dyed in different colors; raw staple of viscose of bamboo; continuous yarn of polyamide 6 flat, textured and raw; raw ring discontinuous yarn of polyester; continuous yarn of polyester textured, flat, partially oriented and high tenacity, raw, optic, dyed in different colors and Flame Retardant; yarns of viscose, cotton/polyester, modal/polyester, viscose/polyester raw and dyed. Produced with materials already certified STANDARD 100 by OEKO-TEX® - partly produced with fibers accepted by OEKO-TEX® having flame retardant properties.

(*) Note: Some acrylic fibres may contain more than 0,1% (but less than 3%) of DMAc (Dimethylacetamide) and have to be treated hot (in wet or in dry stage) during further processing. Afterwards, new tests for the presence of DMAc are obligatory (< 0.1%).

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for baby articles.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 14CX00058 is valid until 26.11.2018

Busto Arsizio, 27.11.2017

Grazia Cerini
General Manager
